National Night Out – August 5, 2014

Join us Tuesday, August 5, 2014, as the City of Renton hosts National Night Out at Kennydale Lions Park (2428 Aberdeen Ave NE) in Renton from 4:00 p.m. to 7:30 p.m. There will be food, games, and fun party hoppers for the kids. Check out the City's website for more information on this fun event: www.rentonwa.gov.

Renton citizens are also invited to join us in our efforts to **Give Crime & Drugs a Going Away Party** by hosting their *own* special event such as a BBQ, neighborhood block party, ice cream social or youth activity in their neighborhood. From 6 p.m. to 9 p.m., on August 5th, residents in neighborhoods throughout Renton and across the nation are asked to lock their doors, turn on outside lights, and spend the evening outside with neighbors. To register your neighborhood event, please contact NNO Coordinator Cyndie Parks at (425) 430-7521 or email cparks@rentonwa.gov. (The city makes every effort to make an appearance at every function, but remember: first come, first served.)

National Night Out is designed to: Heighten crime and drug prevention awareness; generate support for, and participation in, local anticrime efforts; strengthen neighborhood spirit and police-community partnerships; and send a message to criminals letting them know neighborhoods are organized and fighting back!

National Night Out showcases the vital importance of police-community partnerships and citizen involvement in our fight to build a safer nation

Safety Tip

Unfortunately, there have been times when police have been called due to a jogger getting hit by a vehicle. And for *some* of those incidents, emergency personal arrives and discovers they are unable to identify the unconscious victim because there is no personal identification available. And in the event the incident is a fatality - we have no next-of-kin to contact to let them know something has happened to their loved one.

I strongly encourage you to carry some type of identification with you if you tend to run, walk, jog etc., by yourself. This could be in the form of an athletic pack, an identification bracelet, shoe tag, or something as basic as pinning information to the inside of your clothing. Even if it's just your full name, date of birth, and address - at least that will be *something*.
